

Brandon -

Quick notes from our coffee Tuesday:

- * The board corrected the youth outreach hours.
It was 1,420 but should be
1,580. They recounted the
summer camp sessions we missed in the
first tally. Please update the draft.
- * In the cover letter, make sure you use
the full name of the grant:
"Appalachian Community Arts Revitalization Fund"
The funder wants to see it spelled out.
- * Last year's grants total was \$38,750.00.
Do NOT include that number in this year's
report. The board got confused last time
when old numbers showed up in the new one.

Thanks!
